

**Vermont Association of Snow Travelers (VAST)
Landowner Appreciation Letter**

Dear Vermont Landowner / VAST Trail Host.

We want to send a heartfelt thank you for hosting our trails and supporting snowmobiling in Vermont! Your generosity means so much to all of us at VAST, as well as our clubs, volunteers, and members. We truly appreciate all you do!

We completely understand that handling property taxes and regulations can be a bit overwhelming for landowners. We want you to know that we're here to support you in the legislature! We're shining a light on how much you contribute to snowmobiling and all the wonderful outdoor activities we enjoy. Thank you for being such an important part of our community!

For over 50 years, VAST has been passionately supporting our trails through maintenance, grooming, and signage. We're proud to say that more than 80% of our funds go directly to clubs that help keep our trails and equipment in top shape. Thanks to the hard work of our amazing volunteers and staff, we're able to create an impressive annual economic impact of over \$500 million for Vermont. Together, we're making a difference!

Thank you for allowing snowmobile trails on your property; your support is vital. For more information on the protections available to you as a VAST landowner, please visit this link for our Landowner Liability brochure:

Thank you once again for your support. If you have any questions or need further assistance, please do not hesitate to reach out to me or your local club. We are here to help.

Sincerest regards,
